R2P INNOVATIONS
BULLETPROOF DOORS

EMPOWER STUDENTS AND TEACHERS TO TAKE SURVIVAL INTO THEIR OWN HANDS

When every second counts, students and teachers deserve the power to protect themselves while law enforcement responds.

THE LAST LINE OF DEFENSE

Run. Hide. Fight. We've taught our children how to respond to danger, but have we given them the protection they need when they can't escape?

DISCREET BY DESIGN

Easy for a child to open and close, with the familiar appearance of an everyday classroom door. No distractions. Just peace of mind.

TESTED. CERTIFIED. PROVEN.

Independently tested to a national standard to withstand over 100 rounds of high-velocity rifle fire, and certified to a 20-minute fire rating.
